## MEMORANDUM

The debtor has filed an ex parte motion to reopen her chapter 7 case for the purpose of amending the schedules in order to list previously omitted creditors.

This chapter 7 case was filed on August 20, 2010. A notice of assets was served on creditors on October 15, 2010. And, based on the trustee's final report and account, approved on or about September 11, 2011, nonpriority unsecured creditors received a dividend in this case.

The motion, however, represents that this was a "no asset, no bar date case. As a factual matter, this is contradicted by the docket. Therefore, while the court will reopen the case, it does so only with the caveat that the amendment of the schedules to add omitted creditors, absent a further court order, will not discharge their claims.
